

## CHRIS WATTS

Bodicote Born and bred, back in 1972. I have lived in Bodicote for all but five years of my life. Only moving out of the village to get on the housing ladder.

I am happily married with two children who both attend Bishop Loveday school like I did.

I believe that if we can we should be prepared to put back into the community where we live.

Not only am I now a Parish Councillor with responsibility, I also enjoy a role within the BodFest Committee helping to organise and run the Annual Duck Races and The BodFest village festival.

In my 'spare time' I also admin the 'What's On Bodicote' and 'Bodicote History and Memories' pages on Facebook.
