

Wykham Park Farm Phase 2

Banbury

Proposed New Homes & Public Open Space

Catesby Estates are preparing proposals for a development of up to 625 new homes and public open space on land north of Wykham Lane, Banbury (Wykham Park Farm Phase 2).

The site is identified as a draft allocation under Policy BAN H2 of the Cherwell Emerging Local Plan 2042.

Our vision is to plan a high quality, sustainable and well-connected development providing a range of house types and sizes, including much needed affordable housing.

We are seeking feedback from local residents and other stakeholders before finalising the proposals and submitting a planning application to Cherwell District Council.

The consultation website provides details of the proposals, and the opportunity to provide comments as part of the pre-application consultation process.
