

BODICOTE PARISH COUNCIL
MINUTES OF A PARISH COUNCIL MEETING
HELD ON WEDNESDAY 18TH FEBRUARY 2026
AT 7.15PM AT CHURCH HOUSE, CHURCH STREET

PRESENT: Cllrs. J. Washburn (Chairperson), A. Conley, C. Elmitt, D. Hingley, P. Jackson, J. Sacha and J. Slade

Christine Coles (Parish Clerk), Mr M Bell of Power On and Mr T Howe of Rogers Civil Engineering (RCE)

- 26/15. To receive apologies**
Cllr Corrigan (personal), Cllr Pattenden (personal) and Cllr Watts (personal)
- 26/16. Public session** (*Members of the public are invited to address the council. The session will last for a maximum of ten minutes with any individual contribution lasting a maximum of 3 minutes*)
There were no members of public present.
- 26/17. To receive Declarations of Interest under the Council's Code of Conduct relating to business on the agenda** (*Members should disclose any interests in the business to be discussed and are reminded that the disclosure of a Disclosable Pecuniary Interest will require that the member withdraws from the meeting room during the transaction of that item of business*)
No interests were declared.
- 26/18. To discuss a major electrical project off the Oxford Road with the representatives**
Mr Bell of Power On and Mr Howe of RCE were at the meeting to discuss the project to bring in 1603KVA of electrical capacity to supply 860 new homes on Oxford Road. The only capacity available from National Grid is at Ells Lane Primary Substation and a further upgrade will be due at Molyneux Drive. A 7km cable is required to be constructed. The work will start in March 2026 and be complete by October 2026. Roads will be dug up for trenches to lay pipes. The work starts in the School Easter holidays and there is a programme of works for local roads when the work will start and finish. Ells Lane and Wykham Lane will be shut as the roads are too narrow to allow two way lights to be utilised through the area. They have already visited businesses along Ells Lane and Wykham Lane which will be affected. There is a website <https://www.rceltd.co.uk/bankside-oxford> and the Parish Council website will be updated. Both representatives agreed to attend the Parish Council meeting in April to give an update on work which will have started.
- The Chair thanked them both for coming and they left the meeting at 7.55pm.
- 26/19. Acceptance of the minutes of the last meeting held on 14th January 2026**
The minutes were accepted and signed as a true record of the meeting.
- 26/20. Update on progress from the previous minutes (for information only)**
- *Placement of new bench in the cemetery.* A new bench has been placed in the cemetery to replace the rotten bench.

Signed

26/21. County Council and District Council matters

- *To receive reports from County and District Councillors.*
Cllr Hingley gave the following update. CDC are meeting next week to approve the budget for the coming year. There was a huge change to grant funding from Central Government over the next three years with no warning given. There has never been a change of this magnitude. CDC lobbied Central Government who have agreed to cover the shortfall for 2026-27. CDC will then have to cover the shortfalls in 2027-28 and in 2028-29. There will be efficiency savings which will help cover this loss.
A lot of people responded to funding of the museum and it has been agreed to carry on funding it. Glass recycling started in the New Year and there are no plans to move to three weekly bin collections this year. Council tax will increase by £5 per year for a Band D property. The Local Plan is being examined this week at Castle Quay. The Bodicote House site was discussed in a closed session and detail will be announced in a few weeks time. The OCC budget was passed last week. There is a £5.4M shortfall. Included in the budget are Adult Social Care costs, SEND requirements, a library refurbishment programme and £2M spend on repairing drains. The work on Cherwell Street/Bridge Street is ongoing and the traffic lights are being monitored. There are three options being offered for the Local Government Re-organisation. CDC are opting for the two unitary council option. The matter will come to the next meeting once everyone has read the detail. Devolution was briefly discussed which is the statutory delegation of powers from central government to regional or local government. The primary purpose of devolution is to bring governance closer to the people, improve administrative efficiency and address local needs.
- *Public Consultation on the proposals for Local Government Reorganisation.* The consultation has begun and there are three options to choose from. The deadline to respond is Thursday 26th March 2026 at 11.59pm. It will be an end to two tiers of local government and one tier of local government providing all of its services to residents. A decision will be made this summer and we expect to be notified of the Ministerial decision confirming which proposal will go ahead. There will be shadow authority elections in May 2027 and vesting day is 1st April 2028 when the new authorities will take over and replace the existing six councils.
- *To receive an update on work on the Neighbourhood Plan.* The green spaces and important views have been marked on a map and passed to Troy Planning.

26/22. To receive an update on the transfer of land south of Blackwood Place and Molyneux Drive and north west of Cotefield Farm

A draft Deed of Variation has been received and copied to Cala Homes. The document is currently being reviewed by the legal team acting for Cala Homes.

26/23a. Planning matters; New applications
